

Name _____

Go to the Source

Look at the pictures of the artifacts. Then answer the questions. You may use the back of the page.

OBSERVE

1. What do both pieces of clothing seem to be made of?

2. Describe the decorations on the warrior's shirt.

3. Describe the decorations on the woman's dress.

THINK

4. Native American clothing was made of natural material such as animal hide, horsehair, porcupine quills, and plants. Describe the steps it might have taken to make such a garment.

APPLY

5. If these were the only two items Lewis and Clark had sent back to President Jefferson, what might Jefferson have concluded about the people explorers met? Use the other side of this page to write your answer.
