## Go to the Source

Look at the engraving. Then answer the questions.  
You may use the back of the page.

### OBSERVE

1. Where are the miners working? How can you tell?

---

2. Are the miners working alone or together?

---

3. Can you identify any of the tools and supplies the men are using?

---

### THINK

4. Why do you think Chinese immigrants wanted to come to California? Consider these facts before you answer.

- In the 1850s, China was in the middle of a civil war.
- Most Chinese came alone, without their families.
- The Chinese called California *Gam Saan*, or Gold Mountain.

---

---

### APPLY

5. What if your family could only find a job in a foreign country. Do you think your family should leave the United States? What would be the hardest thing about leaving your homeland?

---

---
