INTERVENTION
Pre-K Science Kit
This complete kit contains all of the resources needed for introducing science concepts to the preschool learner.

- Provides a variety of hands-on experiences for conceptual development
- Includes circle time and center activity suggestions
- Features a flexible lesson plan that supports a variety of learning environments

Pre-K Kit
978-0-02-284823-1 438.99

Kit contains the following components: Teacher Edition; Flipbook (27” x 18”); Big Science Readers (2 volumes, 15” x 18”); Posters; Science Songs on Audio CD; and Photo Sorting Cards. A separate activity materials package is also available.

Leveled Science Readers

Grades K-6
These multi-leveled science readers deliver chapter science content to help address the individual needs of all students.

- Features four readers per chapter: Approaching Level; On-level; Beyond Level; and an English Learner version of the On-level reader
- Provides universal access to the chapter science content and supports the goals of differentiated instruction
- Reinforces reading skills and strategies while promoting science understanding

Softcover books: 6” x 9”; packaged individually or in grade-level sets

Science Equipment Kits

These comprehensive kits provide access to the hands-on materials needed for activities and make activity planning easy and activities manageable.

- Offers different options for various needs and budgets
- Provides replacement lists for easy replanning each year
- Contains Material Management Checklists for easy classroom management

Available in four versions: Deluxe; Demonstration; Grab and Go Activity Center; Explore

Grade-Level Deluxe Equipment Kits

Grades PreK–6

These kits supply materials needed to perform every activity.

- Lists individual components on storage drawers
- Includes Material Management Checklists CD-ROM and replacement order forms
- Houses commonly used items in a single box

Explore Activity Kits

Grades 1-6

These kits provide basic activity materials for the explore activities of each lesson.

Demonstration Kits

Grades K–6

These kits house materials for teachers to demonstrate each activity in the Student Edition.

- Includes ‘Grab and Go’ material setup
- Provides consumable and nonconsumable items
- Offers cost effective alternative for implementing hands-on science

Student Editions
Grades 1-8
Student Editions offer a wealth of songs, listening selections, movement, instrumental parts, and other activities in a student-engaging format.
• Contain four sections that integrate seamlessly: Concepts, Music Reading, Performance, and Celebrations. These sections help students acquire music skills, understand concepts, read music notation, develop vocal techniques, perform stories with music, and perform music for patriotic, seasonal, and holiday celebrations.
• Include a multitude of songs and listening selections in a variety of styles.
• Include many performance opportunities such as Broadway for Kids musical theater productions—a first in music textbook publishing.

Teacher’s Editions
Grades K-8
Teacher’s Editions are organized for flexibility and easy planning, incorporating Kodály, Orff, and Dalcroze approaches.
• Feature a unique learning sequence that shows teachers when and how students explore, label, and practice a music concept.
• Feature an abundance of teaching strategies for reaching special learners, curriculum links, movement extensions, program ideas, and in-depth lesson planners.

The Teacher’s Edition Packages include the Grade-Level DVs and the Piano Accompaniment books.

Audio CD Packages
Grades K-8
Audio CD Packages contain the highest quality recordings, arranged and organized for the best student instruction.
• Provide song recordings containing creative instrumental arrangements, pronunciation guides (for non-English songs), and vocal-only practice tracks for every song.
• Provide listening selections for opportunities to explore culturally and stylistically authentic instruments and vocal groups across all genres.

Teacher’s Resource Packages
Grades K-8
The Teacher’s Resource Packages contain a collection of core ancillary materials that enhance instruction.
• The Teacher’s Resource Package includes: Teacher’s Resource Masters, Listening Map Transparencies, Spotlight on Reading Music Transparencies (Grades 2-6), Spotlight on Orff Orchestrations (Grades 1-6), Spotlight on Recorder (Grades 2-6), Spotlight on Guitar (Grades 6-8).
